

## YOUR SUPPORT

Please return by **Thursday 30 November 2017** to an Investigation Board member, or the BRIA Irrigators office, or email to [admin@lmairrigation.com.au](mailto:admin@lmairrigation.com.au) or by mail in the enclosed postage paid envelope LMA Support Services (GPO Box 419, Brisbane, QLD 4001).

Name (As on your SunWater invoice):

Customer number:

Water entitlement (ML):

Do you support the Burdekin-Haughton Investigation Board's proposal and Financial Plan for local management as outlined in the principles contained in the Business Proposal summary and explained during the customer consultation meetings?

**IMPORTANT: A vote in favour of Local Management assumes that a satisfactory solution to the groundwater issue has been identified and the Board has a full understanding of how strategies would impact the viability of the LMA business.**

☐ YES, I do endorse LMA Investigation Board's proposal for local management

☐ NO, I don't support LMA Investigation Board's proposal for local management

If you vote no, please outline your reasons.

Comments:

In order for the Investigation Board to accurately gauge customer support, we ask that you complete and return this form so we can record your view. For the purposes of presenting the business proposal to government, we will assume those that do not respond are supportive of local management proceeding. The Board, however, encourages all to complete and return the form so we have an indication of customer support for local management.
