

23 April, 2014

Dear channel irrigation customer

RE: Invitation to LMA customer forum on Friday 2 May, 2014

The Emerald Distribution Scheme Interim Board has prepared a draft Business Proposal that investigates local management of the Emerald channel scheme and would like to invite you to a meeting to discuss our findings.

We enclose for your consideration a summary of the business proposal that outlines:

- Corporate form and voting
- Assets and equipment
- Financial modelling and pricing
- Risks and benefits

The meeting will be held at **9am on Friday 2 May** at the Supper Room in the **Emerald Town Hall** and we urge all to attend because without a strong majority of customers supporting the business proposal local management will not proceed.

Also enclosed are commonly asked Questions & Answers in relation to local management and an endorsement form that we would like you to complete and return to one of the directors or by mail to the address provided by **Friday 16 May**, to indicate your support.

If you are unable to attend, please contact one of the interim board members on the numbers listed below to find out more or express your view. Alternatively, if you would like more information, or to discuss any aspect of what we are proposing, please contact one of the interim board members on the contact numbers below or email emerald@lmairrigation.com.au.

We look forward to discussing the future of the Emerald channel scheme with you.

Yours sincerely

Netty Smith
Chair Emerald Interim Board
