To Members of the Kinchant Dam Water Users Assoc. Inc. Committee

On behalf of the LMA Interim Board, I would like to invite the members of the KDWAI committee to act as the reference group for the LMA Interim Board during the Eton LMA Irrigation Channel Scheme due diligence process.

The Interim Board will be seeking contributions and feedback from your committee as the reference group representing water users on the Eton scheme. This will aid the Interim Board in the development of a business plan to ensure the sustainability of the scheme and water users.

Further communications can be addressed to the Communication Committee members.

Yours sincerely

Geoffrey Kavanagh
Chairman
Eton LMA Interim Board
